

## **2016 Hudson Garden Club Grant Recipients**

**Hudson Middle School** - \$2,700 to create a school garden, which will help students understand the complexities of gardening, be excited about gardening, and take an active role in producing food at the school.

**Hudson Montessori School** - \$1,750 to rebuild a greenhouse and use it for micro-economy, scientific learning opportunities and culinary discovery.

**Hudson Library and Historical Society** - \$1,000 to fund speaker Amy Stewart, whose program will educate the community about horticulture and its intersection with history, medicine and science.

**City of Hudson** - \$1,000 toward maintenance of flower plantings along Park Lane and Clinton Street in downtown Hudson.

**Cleveland Botanical Garden** - \$1,000 to support Green Corp. Urban Gardening Program within Cleveland distressed neighborhoods.

**Conservancy for Cuyahoga Valley National Park** - \$1,000 to provide scholarships for students from local lower-income families to attend All the Rivers Run, an immersive outdoor learning program for 4th – 8th graders

**Sunday Afternoon Gardeners** - \$700 to restore historic gardens at the Jonathan Goldsmith House at Hale Farm.

**Trapp Family Farm** - \$600 to fund solar powered fences to protect garden areas and educate farm visitors on the value of renewable energy.

**Carolyn Bouquot** - \$250 to maintain island at the intersection of Terex and Barlow Road.
