Mission Statement

Hudson Garden Club is dedicated to spreading the knowledge and love of gardening, the beautification of public property and the support of education in horticultural and related fields.

About the Hudson Garden Club

On September 29, 1933 the Hudson Garden Club was officially founded. Throughout these past 89 years, the HGC has proudly treasured the accomplishments of the past, as it continues to grow and thrive, and prepare for the future. It is with immense pride that we support our mission statement.

The highlight of our group's annual projects is the Home and Garden Tour, which began in 1947 (2022 marks the 74th year of the Tour.) The two-day event brings thousands of visitors to Hudson and owes its success to the tremendous support of over 500 volunteers from the community. In addition, the Garden Gathering, an outdoor benefit cocktail party, is usually held in June.

Proceeds from the Tour and the Garden Gathering are used to fund the planting, care, and replacement of trees and other plant material throughout Hudson; for the Genevieve Jyurovat Scholarships, offered to students pursuing an education in horticulture or environmental preservation; and for worthwhile grant projects that benefit the community and further the mission of the club.

Our Meetings

The Hudson Garden Club meets monthly September through May usually the third Thursday evening of the month. Meetings are held locally, but the venues change, so check your monthly newsletter for details. The social gatherings normally start at 6:45 followed by the programs at 7:00 p.m.

Our publicity and meeting details appear regularly in the Hudson Hub Times and can be found in our monthly newsletter, on our website and on Facebook. (Not on Facebook? – just click on the blue word “facebook” in the upper right-hand corner on our website and you'll have access.)

Hudson Garden Club Field of Interest Fund

In 2017 the HGC established a Fund with the Hudson Community Foundation. This fund was established for two purposes - to invest our unrestricted funds for growth and so the HGC could finally accept tax-deductible contributions. Anyone, member or not, can contribute to the Fund.

The Hudson Community Foundation manages our investment, meets IRS requirements for tax-deductible contributions, and from the fees paid by investors, provides grants within our community. Learn more at www.myHCF.org.

The HGC is legally recognized as a Nonprofit 501(c)(4) organization, but not a 501(c)(3) charity. Therefore donations made DIRECTLY to the HGC cannot be claimed as a charitable donation on a tax return — even though most of our funds are paid out charitably.

Donations made to the HGC Fund held by the Hudson Community Foundation, a 501(c)(3) charity, CAN be claimed as a charitable donation on a tax return. Such donations include part of the Garden Gathering ticket price and donations made to the Garden Gathering in lieu of attendance.

The HGC may only use money from our fund for the purpose of awarding charitable scholarships, grants, or other community donations.

These tax-deductible donations can be made via a link on our website www.hudsongardenclub.org or by using the form in this Directory.
